TW-SET-01

The BRITEX Wall Mounted Sink Set with Fixed Spout is a commercial-grade tapware solution designed for long-term durability in high-use public environments. Manufactured to relevant standards and matched to selected Britex stainless steel troughs, sinks and basins, it is well suited to schools, public amenities and industrial facilities requiring robust, vandal-resistant performance.

Features and Benefits

- **Vandal Resistant Handle with Locking Ring** – Handle can only be removed using the supplied key for added security.
- **Lead-Free Brass** – Manufactured from high-quality brass for safety and long-term durability.
- **Half-turn Ceramic Disc Option** - Available on request for smoother, low-effort operation.
- **Chrome Plated Finish** - Heavy-duty, durable, easy to clean surface and maintains a polished appearance.

Sample Spec

Britex Wall Mounted Sink Set with Fixed Spout - Product Code TW-SET-01

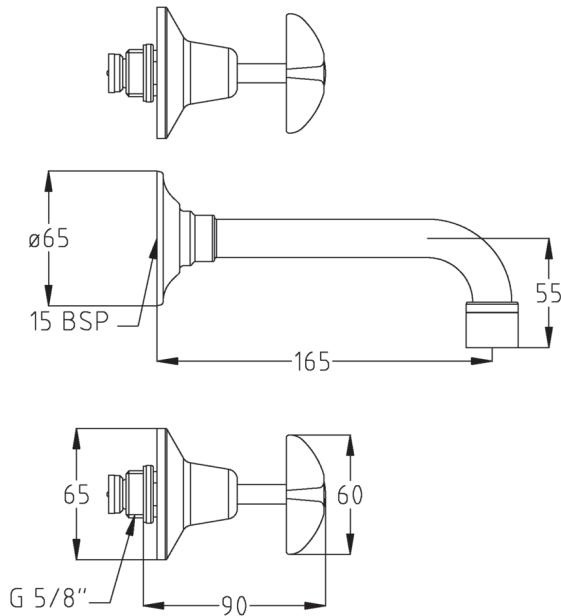

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.
