TW-SET-04

The BRITEK Wall Mounted Sink Set with Upswept Swivel Spout is a durable, commercial-grade tapware solution designed for demanding public environments. Ideal for education facilities, public amenities and industrial settings, it provides long-lasting performance with a heavy-duty design to suit BRITEK troughs, sinks and basins.

Features and Benefits

- **Vandal Resistant Handle with Locking Ring** – Handle can only be removed using the supplied key for added security.
- **Lead-Free Brass** – Manufactured from high-quality brass for safety and long-term durability.
- **Half-turn Ceramic Disc Option** - Available on request for smoother, low-effort operation.
- **Chrome Plated Finish** - Heavy-duty, durable, easy to clean surface and maintains a polished appearance.
