TW-SET-05

The BRITEX Wall Mounted Sink Set with Gooseneck Spout is a durable, commercial-grade tapware solution designed for demanding public environments. Ideal for education facilities, public amenities and industrial settings, it provides long-lasting performance with a heavy-duty design to suit BRITEX troughs, sinks and basins.

Features and Benefits

- **Complies with NSW Education EFSG Guidelines** - Suitable for use in NSW school projects and aligned with education facility requirements.
- **Chrome Plated Finish** - Heavy-duty, durable, easy to clean surface and maintains a bright, polished appearance.
- **Vandal Resistant Handle with Locking Ring** - Handle can only be removed using the supplied key for added security.
- **Lead-Free Brass** - Manufactured from high-quality brass for safety and long-term durability.
