

USAN

Most common configuration illustrated

The BRITEX Sanistep Urinal is Australia's most specified stainless steel urinal, trusted in major stadiums nationwide. Built from heavy-duty grade 304 stainless steel, it's fully welded, reinforced and easy to clean with its hinged floor grate.

Features and Benefits

- **Recessed or Floor Mounted Installation**
 - Flexible mounting options to suit a wide range of project requirements.
- **Vandal Resistant Construction** - Robust stainless steel fabrication designed for high-traffic public environments.
- **Custom manufactured lengths** - Tailored sizing for architectural layouts and unique site conditions.
- **Smart Saniflush Compatibility** - Integrates seamlessly with the BRITEX WELS-rated sensor flushing system.
- **Hinged Cleaning Grate** - Allows quick access for maintenance and improved hygiene.
- **'L' or 'U' Shaped Configurations** - Adaptable design options for corner installations or continuous wall runs.

Sample Spec

BriteX Stainless Steel Sanistep Urinal 1800mm long. WELS and WaterMark certified. Recessed mounted model. Rear water entry. Supplied with a FSM1 Smart Flush solenoid & sensor box. 100mm outlet size and Left waste outlet. Product code USAN-1800-RE-R-FSM1-100-L

*RED TEXT may denote a **variable** where one option only is to be selected, a **nominal dimension** that needs to be specified, or an **optional feature** that can be removed if not required. Please refer to the back of this page for additional specification details and options.

HOW TO SPECIFY: Sanistep Urinal

Sample Specification Code

A	B	C	D	E	F	G	
USAN	- 1800	- RE	- R	- FSM1	- 100	- L	= Sanistep Urinal 1800mm long, Recessed with Rear Entry paired with FSM1 flushing, 100 outlet size and Left Hand Waste

Specification Key

A = Product Code

B = Urinal Length (mm)

C = Mounting

RE: Recessed

FM: Floor Mounted

D = Entry Point

T: Top Entry

R: Rear Entry

E = Flushing Options

(Rear entry only)

FSM1 (1800mm max urinal length)

FSM2 (1801mm+ urinal length)

F = Outlet Size

100

Custom

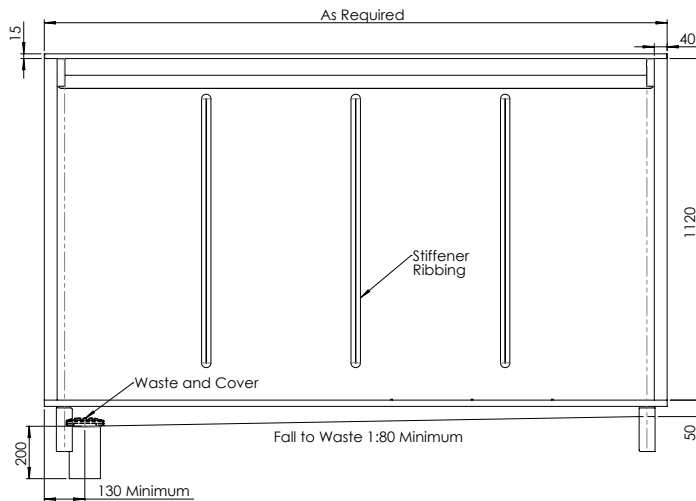

G = Waste Outlet Position

L: Left

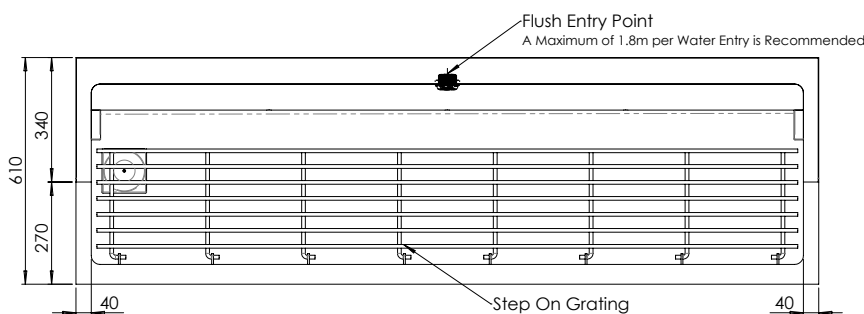

R: Right

C: Custom

MODEL USAN Front Elevation

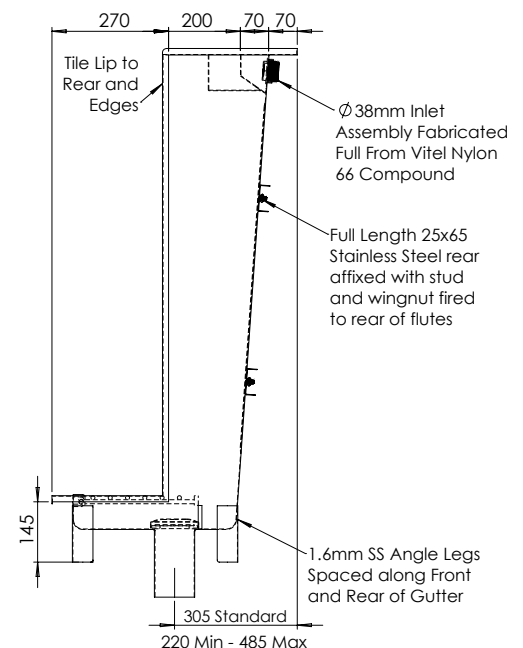

MODEL USAN Plan

Add ons

- 'L' and 'U' shaped configuration
- Smart SaniFlush Sensor System
- Free standing ends (if not between walls)
- Butt joint for modular lengths
