about

BenchTech Double Sink Benches are made from 1.2mm grade 304 stainless steel complete with a 2.0mm corrosion resistant zinc plated steel substrate. Double centre bowls with 90mm European Waste (50mm Connection) and 1.2mm grade 304 stainless steel pipe shelf supplied as standard. Built to true commercial specifications, the BenchTech modular system can be used for a full kitchen fit-out or integrated with custom - made Britex benches and shelves to achieve a more cost effective overall project solution. Providing absolute value for money, BenchTech is ideal for use in projects such as teaching kitchens, canteens, cafes and restaurants.
