

PTS

The BRITEX Stainless Steel Toilet Suite is a robust yet stylish compact suite that incorporates a vandal-resistant toilet pan and dual flush cistern. A pressed internal bowl area and unique trap design make the pan extremely water efficient and much less susceptible to costly blockages in public amenities. Being close-coupled, the suite is hygienic, highly resistant to vandalism and allows for ease of cleaning. Perfect for public toilets and areas that require high-security fixtures without compromising on aesthetics. WaterMark and WELS are certified as required by plumbing regulations and government legislation.
