

**SPBO***Oval Security Basin with Security Tap Set*

Engineered for maximum safety and durability, the BRITEX Stainless Steel Oval Security Basin delivers top-tier vandal resistance without compromising on style.

Features and Benefits

- **1.6mm Grade 304 Stainless Steel** – Durable and corrosion-resistant for long term performance in harsh environments.
- **Radius edges with no sharp corners** – Enhances safety for users and staff in secure and high-risk facilities
- **Ligature-resistant profile** – Designed specifically for mental health and detention facilities to minimise self-harm risks.
- **Prison-grade vandal resistance** – Built to withstand extreme use and abuse in correctional settings.
