

**SRB**

Most common configuration illustrated

The BRITEK Stainless Steel Recessed Security Basin is a space saving, vandal-resistant fixture ideal for detention projects, holding cells, public amenities and night clubs.

Features and Benefits

- **1.5mm Grade 304 Stainless Steel** – Delivers exceptional durability and corrosion resistance, ideal for high-use environments.
- **Space-saving Design** – Maximises utility in compact areas, improving functionality.
- **Highly Vandal Resistant** – Engineered to withstand tough environments, reducing repair costs and downtime.
- **Pre-plumbed with Timed Flow Tapware** – Ensures water efficiency and regulatory compliance, lowering utility costs and simplifying installation.
- **40mm Security Waste Outlet** – Ligature resistant design, helps prevent self harm & vandalism.
