TP8-F Wall Mounted Trough

TP8

The BRITEX Stainless Steel Art Trough is a versatile trough that can be used for a large range of applications, commonly in education projects. Inset and fascia style models are available for bench and wall mounting respectively. Made from 1.2mm grade 304 stainless steel and possessing rounded corners, easy to clean and is available in custom lengths with either left or right hand waste position. Troughs are supplied with heavy duty wall brackets. Additional front legs can be provided if extra support is needed.

Features and Benefits

- Inset (bench mounted) or Fascia (wall mounted) styles
- 480mm or 600mm wide
- Made to custom lengths
- Radius internal trough corners for easy cleaning
- Rear hob for mounting tapware
- Left or right hand waste position
- 50mm waste supplied
- Commercial grade 304 S.S.
- Ideal for schools, workshops and public amenities
