

TWUDU

Most common configuration illustrated

The BRITEK Stainless Steel Wudu Foot Wash Trough is designed specifically for the ablution process during wudu/ritual washing in Islamic prayer rooms.

Features and Benefits

- **Used in Islamic Prayer Amenities** – Ideal for mosques, prayer rooms, and religious facilities.
- **Commercial-Grade 304 Stainless Steel** – Ensures durability, corrosion resistance, and long-term use.
- **Floor-Mounted or Recessed Models** – Offers installation flexibility based on space and design preferences.
- **Integral Foot Rest** – Provides a stable and comfortable platform for foot washing.
- **Optional Heavy-Duty Stainless Steel Stools** – Additional support for users requiring seating while performing Wudu.
- **Installed Between Walls** – Designed to fit securely within existing structures for a seamless look.
